Kilowatt-Hour;
Docket No. 2020-50-E

Dear Ms. Boyd:

By Order No. 2020-333, issued in the above-referenced docket, the Public Service Commission of South Carolina ("Commission") authorized Dominion Energy South Carolina, Inc. ("DESC" or "Company") to decrease its Rider Related to Pension Costs ("Pension Rider"), from \$0.00033 to (\$0.00017) per kWh, effective for bills rendered on and after the first billing cycle of May 2020. As part of its order, the Commission required the Company to file with the Commission and the South Carolina Office of Regulatory Staff ("ORS") quarterly updates on the balance of the Pension Rider and updated projections through April 2021. The quarterly updates are to be filed "through April 2021 on a form developed in collaboration with ORS." See Order No. 2020-333.

In compliance with Order No. 2020-333, enclosed herewith, in a format determined in collaboration with ORS, is the quarterly update on the balance of the Pension Rider for the quarter ending September 30, 2020, and projections through April 2021.

By copy of this letter, DESC is providing the other parties of record with a copy of the quarterly Pension Rider reporting.

If you have any questions, please do not hesitate to contact us.

Very truly yours,
